## BOXERS BATTLE FOR CITY TITLE TONIGHT

Young and Karren and Shaffer and Papke Will Be Headliners.

Ned Young vs. Clarence Karren, welterweights.  
Harry Shaffer vs. "Young" Papke, 135 pounds.  
"Kid" Sandy vs. "Kid" Emmett, bantamweights.  
"Battling" Travis vs. "Young" Malone, 125 pounds.  
Ben Judd vs. Jack Meyers, 145 pounds.  
Joe Bishop vs. "Young Battling" Nelson, lightweight.  
Doors open at 7 o'clock.

Everything is in readiness for tonight's boxing show of the Manhattan club which will bring the boxing of the Frampton club and the Manhattan club together at the Garrick theater. The matches will decide the boxing championship of the city, and unless all signs fall the theater will be packed to the doors.

Every boxer of the Manhattan club is reported to be in the best of condition for the bouts. The Manhattan boys are out to wipe the west side of the pugilistic map if they can. Tonight's will be the third meeting of the two clubs. Thus far neither club has been able to gain a decided advantage, and the boys are out to settle all arguments this time.

Pete Sullivan, who has been looking after the training of the Frampton boys, says that all of his lads are primed and ready for the fray and declares that they will show that his work has not been in vain.

Ned Young, who will meet Clarence Karren for the third time in the past two months, is confident that he will be able to duplicate his last performance against Karren and stop him before the bout has gone very far. Karren and the entire west side are just as confident that he will duplicate his first performance against Young when he beat Young in three rounds.

Young has had the experience of going twelve rounds with a tough customer in Helena since then, which should give him added courage and confidence in himself, and his friends figure that he is a clutch to repeat over the Frampton boy. The west side has also had the advantage of the schooling of Pete Sullivan for the last two weeks and his friends figure that Pete has taught Karren enough to enable him to make Young take the dream tablet before the four rounds are over. Either way it goes, the fans are sure to be the winners, and it should be a hummer while it lasts.

The Harry Shaffer-Young Papke bout, which will divide the headline honors with Young and Karren, is causing much talk and will no doubt be just as good a contest. The Frampton boys and their friends are depending on Papke to bring home this bout through his superior hitting ability and the fact that he will have several pounds the better of the weight. Shaffer is a legitimate lightweight and can make 135 pounds ringside easily, while Papke says he can do likewise, but from appearances it looks as though he could not make better than 135 without amputating a leg. The Manhattan boys are depending on Shaffer's real ability and cleverness to win for him. He is undoubtedly the class of the evening when it comes right down to facts, as it is very doubtful if there is a man on the card, regardless of weight, who could stay four rounds with Danny O'Brien as Shaffer.

## 'Smoky' Joe Under Knife in Hospital

TWIN LAKES, Pa., Feb. 22.—Joe Wood, pitcher for the Boston Red Sox of the American league, underwent an operation for appendicitis at his home today. The operation was successful and Wood was resting comfortably tonight.

fer did, and from an outsider's standpoint it looks as though Shaffer ought to get the decision at least. The other bouts on the card are hard to pick, as the men appear to be very evenly matched. Very little is known about the first two pairs that will be on the bill outside of their respective clubrooms, as three of them have never appeared in public here, while the fourth has appeared only once. Therefore, it would be impossible to venture a guess on the winners.

Owing to the fact that Downing is promoting the bouts and is manager of the Manhattan club, he is eager to get someone to act as the third man in the ring, and in the event that he does not do so, judges will be selected at the ringside to pick the winners, and Downing's only duty will be to make the boxers break and abide by the rules, or to stop a contest when in his opinion one man has no chance of winning. The bouts will begin at 8:30 and the doors will be open at 7 o'clock.

## MURPHY SAYS HE'S HAPPIEST MAN ALIVE

Ousted Cub President Will Rest a Year; Is Worth a Million.

CHICAGO, Feb. 22.—"I started in baseball with a shoestring, and tonight I am worth more than a million dollars," tonight said Charles Murphy, who sold under pressure yesterday the controlling interest in the Chicago National league club.

Mr. Murphy sat comfortably in a nest of pillows, for he is still suffering from lamboago, in the great room of his \$50,000 home, and seemed at peace with the world.

"I'm a happy man," he said, "because I haven't a thing to worry about. Nobody is calling me names and criticizing me, and it seems as if a large weight had been lifted from my shoulders. I feel just like the man who was asked what he would do if someone gave him a million dollars. He replied that he would seek the best room in the best hotel in town, leave a call for 6 o'clock the next morning, and when he was awakened at that hour, tell the world to go to blazes."

Mr. Murphy chuckled and then grew serious when he was asked to tell how much Charles P. Taft gave him for the 55 per cent of the stock in the club.

Cubs Worth Million.  
"I would be violating a confidence to give the exact amount," he replied, "but estimated on the basis of the price I received for my interest, the club is worth more than a million dollars. A half million or so is a lot of money, but the Cubs are worth it. During the time I ran the club, I believe it was the most prosperous organization in the league."

Murphy reiterated that he was through with the financial end of baseball, but said he was still a lover of the game.

"I'm going to be just a plain fan and sit in the bleachers and yell at the play-ers, and the umpires and criticize the management," he said. "I am familiar with the other side of the game, so I'm going to have a lot more fun than most fans."

Interested in Grounds.  
"I am going to rest for a year, and then I expect to enter some other line of business. I'm too young to retire from active life. I still retain a half interest in the grounds on which the Cub park is built, and a similar interest in the grounds of the Phillies. The rent for these properties is all the income I'll ever need."

Murphy did not care to discuss his controversies with President Johnson of the American league, whom he charged with trying to oust him from organized baseball, or with owners of other clubs who have opposed him.

Murphy's career in baseball extended over a period of more than eight years.

Acknowledgment for President.  
CINCINNATI, Feb. 22.—Harry Ackerman of Pittsburgh, vice president of the Chicago National league club, has been offered the presidency of the club by Charles P. Taft. It was said tonight by August Herrmann, president of the Cincinnati Reds, that Taft yesterday purchased the stock held by Charles W. Murphy. Ackerman, it was said, has taken the offer under consideration.

Assembling the Yanks.  
NEW YORK, Feb. 22.—Plans for assembling the New York American league club players at the Texas training camp were announced by the club tonight.

The vanguard will leave here Thursday for Houston. Arthur Irwin, Mike Bergen and trainer Charles Barrett will be in charge of the party.

The contingent of pitchers now at Hot Springs, led by Coach Tom Daly, will arrive in Houston about the same time. Frank Chance will be there on Sunday morning, March 1, to receive the players.

## PITCHERS MOVE ON PALISADE MARCH 20

Date Fixed for Beginning of Training; Fielders Leave April 1.

The 1914 pitching staff of the Salt Lake baseball club—veterans and recruits, old men and new—will leave Salt Lake for Palisade, Colo., on March 20. The date was definitely fixed yesterday by Manager Herb Hester. The pitchers will be accompanied by Frank Huelsman, the team's captain, and by Fred Stripp, the veteran catcher, who is very popular with Salt Lake fans.

Hester expects to have eight or nine pitchers in his squad. He proposes to give them a ten-day workout before the rest of the team arrive, so that they will be in condition for such exhibition games as may be arranged.

Hester has received a proposition to take his ball team to Las Vegas, Nev. There is a possibility—a remote one—that the Palisade trip will be abandoned for Las Vegas. The switch depends altogether upon the financial advantages, if any, the Las Vegas project may present.

Billy Davis, two years with the Sky-scrapers, has signed a 1914 contract. He will be used at third base or as a utility man and pinch hitter.

Toman in Business.  
The Los Angeles Times has the following regarding Jimmy Toman, 1911 umpire in the Union association:

Jimmy Toman, a decade ago the idol of local baseball fans, and more recently an umpire, has put aside the indicator and will enter business in Los Angeles.

James made known his intentions yesterday, when he returned from a contract offered him by Fielder Jones, president of the North-western league, in which circuit Toman officiated as chief-of-umpire or some such capacity last season.

This action, coming on the heels of a Federal league offer which Toman turned down, stamps Jimmy as one of our very best little refusers.

Tribute to Perrine.  
"Shorty" Hughes, sporting editor of the Seattle Times, quotes Ralph Perry, anent "Nig" Perrine. Perry dwells upon the old Missoula second baseman as follows:

"I don't wonder that Cliff Blankenship is making a fight for 'Nig' Perrine, the scrappy little second baseman. If Blankenship doesn't get Perrine he will not have a ball club, for Perrine was the main work of the Missoula club. He is one of the smartest ball players I ever saw; always trying to put off something to confuse the opposition, and he is a mighty dangerous man at the bat in a pinch—you know, those situations that test a player's nerve. I would rather have him up there in a pinch than a lot of 300 hitters I have seen, for I know that he will do something, or at least give the pitcher an awful battle. I hope Seattle gets Perrine, for he has the goods. He and Tealey will make a lively pair around that second sack. It was my understanding that Perrine had procured his release from the president of the Missoula club, just as he wrote Tealey, and if he got it before the Missoula club was transferred to Murray, Blankenship has not the shadow of a claim upon him. Dugdale copied the best of the Union association talent when he got the veteran Perrine and the youthful Dugdale. The latter has gray hair and looks older than Perrine, but he is only a kid and one of the hardest hitters I ever saw. He just loves to come to the plate to stop a ball, and that's the true test of a hitter."

MICHIGAN A. C. STILL LEADS COLLEGE SHOOT

WASHINGTON, Feb. 22.—Results of the seventh week's competition for the intercollegiate rifle shooting championship of the United States, made public today, showed no change in the leaders in the different classes. Michigan Agricultural leads all the colleges with seven straight wins, Massachusetts Agricultural trailing close behind.

In class B the Washington State college still leads, Cornell going down one point during the week and the "Midwest" taking second place. In class C the University of Illinois retains the lead and the highest score of that division with 946. The high score of the week was made by Michigan with 557, which is one point below the record.

The summary:  
Class A.—Massachusetts Aggies, 975, vs. Iowa State, 966; West Virginia, 959, vs. California, 942; Michigan Aggies, 937, vs. Minnesota, 915; Massachusetts Tech., 917, vs. Harvard, 898; Norwich, 895, vs. North Georgia Aggies, 826; Purdue, 850, vs. Princeton, 812.

Class B.—Washington State, 950, vs. Cornell, 950; Naval academy, 950, vs. Clemson, 940; Oklahoma Aggies, 910, vs. Kansas, 874; Lehigh, 853, vs. Columbia, 840; Maine, 829, vs. Vermont, 815; Wisconsin, 807, vs. Dartmouth, 802.

Class C.—Notre Dame, 915, vs. Arizona, 887; Illinois, 840, vs. Worcester Poly, 827; University of Pennsylvania, 812, vs. Missouri, 802; Oregon Aggies, 820, vs. Kansas State, 835; Louisiana State, 834, vs. Pennsylvania State, 840.

## HOPES OF VARSITY QUINT, ARE RISING

Outlook Is Bright for Another Rocky Mountain Championship Flag.

One more week of strain and the intercollegiate basketball situation in Utah will be greatly relieved. The game played in Provo Saturday night between the Aggies and the B. Y. U., which was won by Coach Robert's men, raised the hopes of the University supporters another notch.

By winning from the Aggies the B. Y. U. team registered the second defeat of the season against Coach Teetzel's men and eliminated the possibility of the championship going to Logan. The varsity has but one more game to play and if that game is lost the Aggies will no more than break even with the varsity. The B. Y. U. team then is the only one left in the way of the varsity and with three different possibilities of getting the Provo boys out of the way the east benchers are particularly joyful over the outlook. The first chance to dispose of Robert's men will be offered the Benjamin team next Friday in Provo when the Crimston team closes its Utah season against the B. Y. U. men on the latter's home floor.

If Provo beats Utah the B. Y. U. still has one game chalked against it and must take both the Logan games to remain on top. It will be next to impossible to beat the Aggies in Logan if the Aggies play the game they are capable of playing. Also it must be remembered that the B. Y. U. has to its credit victory over the Aggies.

This week will be one of work for Crimston men all the way along. The man on the large squad will be through the mill, as Benjamin says, going to outspeed the Provo team. It has to send in a fresh man every minute. A victory probably means another Rocky mountain conference flag.

GRANITE HAS STIFF 'BATTLES THIS WEEK

The Granite high school team will have a hard game this week with the Lake high school. These two teams once before this season on the Lake's door and the west sideers victorious. The Farmers were unable to score on the baskets and were out with "stage-fright." They put a strong game, but were unable to come with their opponents. Coach Ashton confident that his men will put up a stronger fight on their own floor. He pleased with the way his men played the game with the L. D. S. U. Saturday. The Farmers lost, but it was only by point.

The exact date of the Graniteville game has not been set, but Wednesday will probably be agreed upon. Farmers were victorious over Granite earlier in the season, this being the league game which they won. That was played in Grantsville.

Granite has made a strong show in practice games, but for some reason they have been unfortunate in the vision race for the championship. One practice game was lost, and was with the Weber academy of Ogden. The Junction city players won that by one point and at that time held record of having never been defeated on their own floor. This record, however, has since been broken.
